

# GREEN reENTR

Join us from September 12 to November 4, 2022 for an 8-week green industry job training program for formerly incarcerated men & women

**Prepare for an entry-level career in tree service and other plant-based industries. Green Reentry Job Training offers classroom instruction, hands-on training and service learning with a focus on environmental justice and stewardship.**

This Providence-based training program includes OSHA safety certifications, employment skills building and on-the-job experience. Trainees will receive a weekly stipend. Industry-standard tools and personal protective gear will be provided. Assistance with transportation is available.

Applicants must be:

- Formerly incarcerated or justice-impacted
- Highly motivated to learn green industry skills
- Excited to work outdoors as a part of a team
- Able to lift 40 lbs & spend the day on your feet

Preference will be given to applicants who:

- Have been fully vaccinated for COVID-19

For a paper copy of the application text/call (401) 996-4922 or email [info@gardentime.us](mailto:info@gardentime.us).

After you apply, we will contact you to set up an interview.

**APPLY ONLINE:** [www.gardentime.us](http://www.gardentime.us)
